

July 11, 2017 Meeting

That we send a letter to South Saskatchewan River Irrigation District No 1 to stop hauling from the gravel pit located at NE and SE 30-27-07 W3 until further notice and we have dealt with the leafy spurge.

Employee holidays are approved.

Gale Hagblom, the contract planner, will come out one day in August with expenses paid to work on zoning and planning for the RM.

That the RM will join the Elbow Cooperative Weed Management Area group and councilor, Joseph Kretsch will be the RM of Loreburn's representative for this group.

The RM office will be closed on July 25, 2017 so the administrator can attend the second part of Asset Management training with Urban Systems.

The Administrator presented the List of Land in arrears to the Reeve. Anyone with half of the previous year's levy was deleted from the list.
