August Minutes cont...

The CTP route gravel for this year will only count as 50 yards per mile for each division's allocation.

We will purchase one large new fuel pump and piping for the fuel tank and look into teeing the two tanks together.

We will make application to the Ministry of Highways for an additional 2,000 cubic meters of reject sand from the Ministry pit.

Council accepted the 2014 PCO spring report.

We are going to build up the flooded spots on our roads this fall after harvest and the foreman will search surrounding areas for dirt for these projects. This will replace the 2014 road construction projects.

A bylaw to Extend the hours for Voting was given 3 readings at this meeting.

Tax Notices are now out. Remember these important dates for discounts

September 30—5%
